DETAILS

Material	Solid Ash legs, MDF and bent plywood frame with oak veneer
Made In	Vietnam

We softened the geometric profile of our Liana dresser by adding accents of rounded, bent wood at either side and creating a concave top for added, organic appeal. Plus, we added push-to-open hardware, leaving its façade free of any ornamentation, the better to showcase the rich texture of its oak surface.

Push-to-open drawers. Anti-tip hardware included.
