Material Cracked oak veneer, MDF and poplar frame

Made In Vietnam

Our Seema sideboard pays homage to the natural beauty of wood in a midcentury-inspired silhouette. The spare, geometric form rests atop tapered feet, its elegantly beveled frame setting off flat-front doors that open to ample shelving. Replete with rich graining, knots and cracks, it reveals the material's one-of-a-kind character.

Push-to-open doors. Adjustable shelves. Anti-tip hardware included.
