- Use of coasters recommended.
- Dust with a clean, dry cloth; avoid cleaning agents and polishes with harsh chemicals and abrasives.
- Wipe clean with a damp cloth, using only a mild soap solution and wipe dry with a soft cloth.

**DETAILS**

---

Material Acacia wood

Handmade In India

Carved of solid acacia, our Timber Accent Table telegraphs an elemental quality in a pared-down profile. The substantial geometric silhouette celebrates the wood's natural imperfections, knots, and splits, with brass butterfly joinery adding a gleaming accent.
