**DETAILS**

A nod to more traditional styles, the Turin Sofa plays with flared arms that gently roll outward, an effect that softens the crisp lines of its construction. Each piece is built from a hardwood frame and then expertly upholstered in a range of fabrics by skilled artisans in North Carolina.

- Frame handcrafted from maple, ash, and hardwood plywood using reinforced joint and corner block construction for long-lasting durability.
- Premium down-alternative wrapped cushions and back cushions, supported by high-resilience foam core for stability.
- Due to the character and dimension of our upholstery, expect slight variation in the color of this piece. For accurate appearance, please see swatch panel to order swatches of our materials.
