IONA SIDE TABLE

STYLE # 6002129

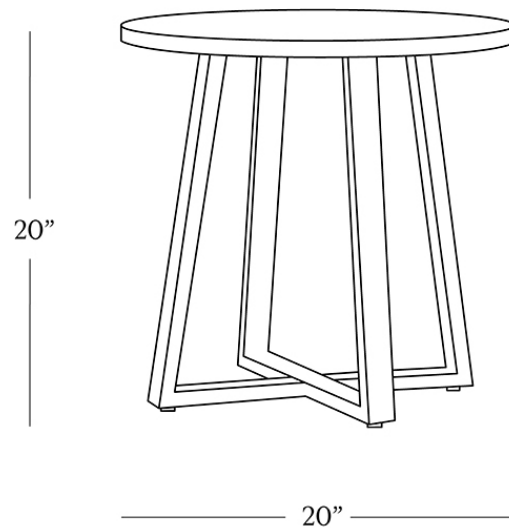

DIMENSIONS

Length	20"
Width	20"
Height	20"

CARE

- Use of coasters recommended.
- Dust with a clean, dry cloth; avoid cleaning agents and polishes with harsh chemicals and abrasives.
- Wipe clean with a damp cloth, using only a mild soap solution and wipe dry with a soft cloth.

**DETAILS**

Material	Emperador marble from Spain and a metal frame
Handmade In	Vietnam

An angular metal base creates a clean-lined foundation for our table's top, cut from richly veined, Spanish Emperador marble. Polished to a lustrous finish, the airy, geometric design serves as a striking accent piece.

Variations in the natural veining of this stone make each piece unique.
